

Junior Ranger Art Bench Trail Activity

Tell a River Story

This activity can be done at any of the art benches.
Bring a pencil and crayons or colored pencils or markers.

Each art bench tells a story about a place in the St. Croix River Valley.

Look for clues in the shapes, materials, and other details you discover on the benches. Think about where the bench is located, too. Using words or pictures below, share your own story about a place on the river you know and love.

Where does the water come from?
Where does the water go?
