

Junior Ranger Art Bench Trail Activity

Make a Texture Rubbing

This activity can be done at any of the art benches. Bring paper and crayons or colored pencils.

Touch the art bench to find different textures.

Place a piece of paper on top of each and gently rub the surface with the side of a crayon or colored pencil. Do the same with textures you find in nature. Combine rubbings on the same paper. What about them is similar? How are they unique? Make your favorite rubbing below.
