

Seek & Find - For the Birds

To complete this activity, visit the benches in Prescott, St. Croix Falls, Bayport, Hudson, and at Carpenter Nature Center. Bring a pencil or pen.

Find these images of birds on the benches. When you find one, write down on which bench you found it on the line below the picture.

DID YOU KNOW

Many of the birds you see in the St. Croix River Valley during the spring and summer months migrated here from as far away as Costa Rica. They make their nests here and then fly south for the winter. To learn more about these birds and what you can do to ensure there is a healthy habitat here for them, go to **www.tropicalwings.org**.
